

Fairphone 3

The phone that cares for people and the planet.

Introducing the Fairphone 3, a phone for everyone who cares about how their products are made. It's got everything you'd expect from a great phone - and so much more. It improves the conditions of the people who make it and uses materials that are better for the planet. Because how it's made matters.

Comes with

- Fair and recycled materials
- Unique modular design
- Mini screwdriver and protective bumper in the box
- Removable battery
- GCF Certification
- A commitment to fairness

Fairphone is the first smartphone company to integrate Fairtrade gold into its supply chain.

RRP: 450€ incl. VAT*
